3. STATEMENTS RELATING TO THE EQUIPMENT

3.1. All statements relating to the Equipment put up for auction at an Auction or offered for sale by means of a Private Treaty Sale contained on the Websites, in any Catalogue or in any Advertising Material (such as statements relating to description, quality and condition) are qualified statements of opinions and should not be relied upon or construed as being representations or warranties.

6. PROXY BIDS

HILCO may place Proxy Bids on behalf of a Buyer or potential Buyer at any Auction at the Buyer's election.

7. PURCHASE PRICE, PAYMENT TERMS AND VAT (AND OTHER TAXES)

7.1. The Purchase Price shall consist of the Hammer Price plus the Buyer's Premium (if applicable), or, in the event of Private Treaty Sales, the Purchase Price shall be the price agreed between HILCO and the relevant Buyer in respect of such Private Treaty Sale.

7.2. HILCO may levy a Buyer's Premium on all sales at Auctions and the rate of such Buyer's Premium will vary from sale to sale.

7.3. The Purchase Price does not include VAT and other taxes (if any). Any VAT (or other taxes if any) relating to a sale shall be payable at the current rate(s) applicable in the country of supply and at the rate in force at the time of supply where the sale takes place. In respect of VAT and any other taxes (if any) the following shall apply (please see important information below for intra EU dispatches and exports purchasers where the Equipment in question is removed from the EU)

7.3.1. Buyers located in the country of supply and where the Equipment remains in that country will be charged VAT and other taxes (if any) on the Purchase Price, and for sales at auctions local VAT (and other taxes if any) will be levied on the Hammer Price and Buyers Premium.

7.3.2. Buyers located in another country other than the country of sale but located within the EU must complete documentation or be able to support that there is an intra-EU dispatch and if necessary complete an intra-EU form. A deposit equal to the amount of the VAT payable in the country of supply will be taken from the Buyer and held by HILCO until satisfactory proof of intra-EU dispatch is received by HILCO. Where a Buyer removes the Equipment from the country of supply to another EU state then proof of removal will include full shipping documents, proof of transport certification, or any other shipping documentation required by the EU Member State of dispatch to satisfy the intra-EU supply rules for goods including the evidence of a VAT ID number in another EU state to that of the country of supply. This documentation must be received by HILCO within three (3) months from the date of the supply. **Purchasers from overseas should note that the VAT on the Buyer's Premium is not recoverable.**

7.3.3. Buyers who are established outside the EU will be charged VAT (and other taxes if any) on the Purchase Price. A refund of the VAT applied in the country of supply can be processed by sending proof of removal of the Equipment from the EU as an export (and this will include shipping documents) to HILCO within three (3) months from the date of the supply. **Purchasers from overseas should note that the VAT on the Buyer's Premium is not recoverable.**

7.4. The intra EU forms and proof of export documents (including full shipping documents) required under clause 7.3.3 should be sent to HILCO via email to the accounts dept (accounts@hilcoglobaladvisors.co.uk) or to such other person as HILCO may notify the Buyer from time to time.

7.5. Buyers wishing to claim an exemption from VAT (or that VAT is to be charged at zero rate or is otherwise not payable (either at all or at the full rate or amount prevailing at the time of the sale)) should provide satisfactory proof to HILCO of the Buyer's entitlement to claim such exemption or release.

7.6. The Purchase Price should be paid by means of electronic funds transfer (EFT). The bank details and the currency in which payment should be made shall be specified in the Sale Specific Terms.

7.7. Time for payment shall be of the essence and full payment (in cleared funds) should be received by the Sale Specific deadline. For any items of Equipment in respect of which full payment (in cleared funds) has not been received by Hilco within ten (10) days of the closing relevant Auction or the date of the Private Treaty Sale shall be forfeited and the Buyer shall be liable for the administrative and other costs of Hilco for arranging for the resale and/or scrapping of such Equipment and any resulting loss of fees or commission or premium incurred or suffered by HILCO.

7.8. No payment shall be deemed to have been received until HILCO has received the relevant payment in cleared funds.

7.9. The Buyer shall make all payments due under these Terms in full without any deduction whether by way of set-off, counterclaim, discount, abatement or otherwise.

7.10. If the Buyer fails to pay HILCO any sum due pursuant to the Buyer purchasing any Equipment at an Auction or by way of Private Treaty Sale, the Buyer shall be liable to pay interest to HILCO on such sum from the due date for payment at the maximum allowable annual rate accruing on a daily basis until payment is made, whether before or after any judgment.

8. WARRANTIES AND LIMITATION OF LIABILITY

8.1. International Statutory Compliance Exclusion

(A) It is expressly brought to the Buyer's attention that, at the time of sale, any item of plant, machinery or equipment contained in the lot(s): may not necessarily comply with the Health and Safety Laws, in the relevant jurisdiction and or any other EC Acts, Regulations, Directives or their applicable laws or equivalent or similar laws in any relevant jurisdiction or; and could contain blue or white asbestos, hazardous substances, dangerous chemicals etc. which if not handled correctly during their removal from a site could be in breach of the relevant Health and Safety Laws, use of such substances in a working environment in the EC or any other relevant jurisdiction.

(B) The Buyer undertakes to:

Remove, ship and use any purchased plant and equipment within the European Community or any other relevant jurisdiction in a way that does not contravene any relevant legislation and in full compliance with all applicable Health and Safety Standards and regulations;

comply with all current applicable legislations in any relevant jurisdiction and reasonable instructions by the Auctioneer in relation to the removal/disposal of waste including hazardous waste.

Participants agree to comply with all applicable export or import control or related laws or regulations and not to violate any applicable local, state, national or international law, statute, ordinance, rule or regulation.

Participants acknowledge that the Auctioneer is not the exporter of any asset unless expressly stated.

The Auctioneer gives no representation or warranty concerning and has not conducted any investigation to ascertain which items, if any, constitute, for example, "Restricted Technology" for US law purposes or whose export is otherwise restricted under applicable law. The Auctioneer and the seller reserve the right to cancel or rescind any sale in an Online Transaction at any time if either of them determines, in its absolute discretion, that the sale does or may violate applicable export or import control or related laws and regulations.

8.2. Buyers Responsibilities and Conduct

The Buyer will be responsible for all damage that it, its carriers or its agents may do to the property of any third party (and, in particular, to the seller's premises) in removing the lot(s) it has purchased. Should the Auctioneer consider such damage likely to occur, it may require the Buyer to deposit such sum of money with the Auctioneer, by way of security for the costs of reinstating that part or the premises likely to be damaged by the removal of a lot, as the Auctioneer may refuse the Buyer access to the seller's premises for the purpose of collecting all or any of the lots it has purchased, or rescind the sale of such lot.

By placing a Bid on a lot, the Buyer represents, warrants and undertakes that it has the authority and capacity to enter such Bid and close the transaction and that any Bid that it makes constitutes an irrevocable offer to buy the lot in question for the full amount of the Bid.

8.3. Transfer of Risk
