- 7.3.3. Buyers who are established outside the EU will be charged VAT (and other taxes if any) on the Purchase Price. A refund of the VAT applied in the country of supply can be processed by sending proof of removal of the Equipment from the EU as an export (and this will include shipping documents) to HILCO within three (3) months from the date of the supply. **Purchasers from overseas should note that the VAT on the Buyer's Premium is not recoverable.**

- 7.8. No payment shall be deemed to have been received until HILCO has received the relevant payment in cleared funds.

- 7.9. The Buyer shall make all payments due under these Terms in full without any deduction whether by way of set-off, counterclaim, discount, abatement or otherwise.

If the Buyer fails to pay HILCO any sum due pursuant to the Buyer purchasing any Equipment at an Auction or by way of Private Treaty Sale, the Buyer shall be liable to pay interest to HILCO on such sum from the due date for payment at the maximum allowable annual rate accruing on a daily basis until payment is made, whether before or after any judgment.

- (A) It is expressly brought to the Buyer's attention that, at the time of sale, any item of plant, machinery or equipment contained in the lot(s):

may not necessarily comply with the Health and Safety Laws, in the relevant jurisdiction and or any other EC Acts, Regulations, Directives or their applicable laws or equivalent or similar laws in any relevant jurisdiction or;

Participants agree to comply with all applicable export or import control or related laws or regulations and not to violate any applicable local, state, national or international law, statute, ordinance, rule or regulation.

Participants acknowledge that the Auctioneer is not the exporter of any asset unless expressly stated.

The Auctioneer gives no representation or warranty concerning and has not conducted any investigation to ascertain which items, if any, constitute, for example, "Restricted Technology" for US law purposes or whose export is otherwise restricted under applicable law. 8.2. Buyers Responsibilities and Conduct

The Buyer will be responsible for all damage that it, its carriers or its agents may do to the property of any third party (and, in particular, to the seller's premises) in removing the lot(s) it has purchased. Should the Auctioneer consider such damage likely to occur, it may require the Buyer to deposit such sum of money with the Auctioneer, by way of security for the costs of reinstating that part or the premises likely to be damaged by the removal of a lot, as the Auctioneer may refuse the Buyer access to the seller's premises for the purpose of collecting all or any of the lots it has purchased, or rescind the sale of such lot.

By placing a Bid on a lot, the Buyer represents, warrants and undertakes that it has the authority and capacity to enter such Bid and close the transaction and that any Bid that it makes constitutes an irrevocable offer to buy the lot in question for the full amount of the Bid.

8.3. Transfer of Risk

Upon the Announcement of Sale the Buyer shall assume all risks in and relating to such lots. The Buyer is advised to effect in respect of all such risks arising thereafter any insurance it may consider necessary. The duty of the Auctioneer and/or the seller to make lots available shall be deemed performed upon Announcement of Sale even if a lot is subsequently damaged and/or part thereof has been lost.

Property and title in each lot shall not pass to the Buyer until:

- (a) full payment therefore has been received or
- (b) each such lot has been removed from the seller's premises in its entirety.
