(2022) Malnati 2300 TN Brush Horizontal Glass Washer

Malnati Brush Horizontal Glass Washer

Type: 2300 TN

Serial Number: 22230014

Year of Manufacture: 2022

PLEASE NOTE:

It is the sole responsibility of the successful buyer to arrange for the machine to be disconnected from the power and water/air sources by qualified and insured personnel.

REMOVAL & SAFETY:

A site-specific Method Statement and Risk Assessment (RAMS) and proof of Public Liability Insurance are mandatory prior to any works.

Buyers must ensure that all utility points are left in a safe, capped-off condition.

STRICT 14-DAY DEADLINE:

All assets must be removed within the 14-day clearance window.

Any damage caused to the building during removal is the responsibility of the buyer and must be made good to the satisfaction of the Auctioneer.

Failure to clear the asset by the deadline may result in the forfeiture of the lot and any monies paid.

Viewing is recommended to assess the removal requirements.

(2023) Eco-max EMC1000i 575kVa 3-phase Voltage Optimiser

Eco-max EMC1000i 575kVa 3-Phase Voltage Optimiser

Serial Number: A000706

Year of Manufacture: 2023

PLEASE NOTE:

It is the sole responsibility of the successful buyer to arrange for the machine to be disconnected from the power and water/air sources by qualified and insured personnel.

REMOVAL & SAFETY:

A site-specific Method Statement and Risk Assessment (RAMS) and proof of Public Liability Insurance are mandatory prior to any works.

Buyers must ensure that all utility points are left in a safe, capped-off condition.

PLEASE NOTE:

This specific lot must be collected after all other machinery has been removed and removal dates are to be coordinated with the auctioneer.

Any damage caused to the building during removal is the responsibility of the buyer and must be made good to the satisfaction of the Auctioneer.

Failure to clear the asset by the deadline may result in the forfeiture of the lot and any monies paid.

Viewing is recommended to assess the removal requirements.

(2023) Eco-max EMC1000i 575kVa 3-phase Voltage Optimiser

Eco-max EMC1000i 575kVa 3-Phase Voltage Optimiser
